BOARD MOTION OF NOVEMBER 25, 2014, AGENDA ITEM 22-A SAND CANYON ROAD TRAFFIC STUDY UNINCORPORATED CANYON COUNTRY AREA

As directed, Public Works completed a traffic study to determine the alternatives to restricting or limiting the use of Sand Canyon Road between Sierra Highway and Soledad Canyon Road by large commercial vehicles due to the narrow width and winding configuration of the roadway.

We are currently in discussions with the City of Santa Clarita since a portion of Sand Canyon Road between Sierra Highway and Soledad Canyon Road is within their jurisdiction and expect their findings within the next 6 weeks after which time we will report our final findings to the Board.

If you have any questions, please call me or your staff may contact Dean R. Lehman, Assistant Deputy Director, at (626) 300-4700.
